RCCO Choir Training Certificate, 2023

Ear Tests

1. Eight major, minor, or perfect intervals will be played melodically, all beginning on the same note.

Write down the name of each interval (e.g., major third above, minor sixth below, etc.). The starting note will be sounded and the series of intervals will be played three times.

Interval names: 1. _____

2. _____

6.

8. _____

2. The following melody will be played, **with intentional errors of pitch and/or rhythm.**

Mark any errors you hear, on the written melody below.
The line (in its erroneous form) will be played three times.
