## 2. (100) Tests at the organ

A preview time of 60 seconds for Sight Reading tests and 40 seconds for the Transposition test is permitted. Candidates may play the Transposition test once through in the original key prior to the 40 second preview time. Candidates are not permitted to write directly on the examination question sheet.

- a) **(35)** Play at sight a passage of organ music which could involve change of manual and registration; the candidate must demonstrate the ability to maintain a steady pulse.
- b) **(35)** Play at sight a hymn-like composition written in four-part vocal open score, using G and F clefs. The pedals are not to be used.
- c) **(30)** Transpose a passage of music on two staves in the style of a hymn tune up or down a tone or semitone. Use of the pedals is optional.

## 3. (100) Hymns

Play an introduction and all stanzas of two hymns, or one hymn and one modern worship song, as for congregational singing, demonstrating rhythmic control, sensitivity to the text, and effective registration. The CRCCO Hymn Leaflet includes five hymns and one modern worship song presented in leadsheet form (melody plus guitar chords) [https://www.rcco.ca/resources/PDFs/Exams/Requirements/Hymns CRCCO 2020-22.pdf](https://www.rcco.ca/resources/PDFs/Exams/Requirements/Hymns%20CRCCO%2020-22.pdf). The candidate should be prepared to play all five hymns. In one stanza of each hymn, the melody should be played on a solo registration with the accompaniment on a second manual and pedal. One of the five hymns will be chosen by the examiners, and the candidate will then choose one of the remaining four hymns, or the modern worship song, playing its melody with suitable keyboard harmony (not simple block chords).

**WRITTEN SECTION** (1 paper - 3 hours allowed - 100 marks)

1. **(30)** Harmonise a melody in four-part harmony for SATB, using closed score with G and F clefs. Harmonic vocabulary will be confined to diatonic triads, seventh chords in root position and inversions, and a possible simple modulation, and may be in a major or a minor key.
2. **(20)** Compose a 16-bar melody. The two opening bars will be given, and the candidate should continue in a matching style, including at least one modulation. At the end of each four-bar phrase the candidate should write a two-chord cadence, with a single approach chord preceding it. For this purpose the cadential 6/4 (if one is used) should be regarded as an embellishment of the V chord, and another chord of approach should precede it.
3. **(25)** Analyse a short anthem with reference to practical aspects of performance as well as harmony, structure, and other musical features.
4. **(25)** Answer one question (in approximately 500 words) on J. S. Bach's *Orgelbüchlein*.

**EAR TESTS SECTION** (Marked Pass or Fail)

Ear tests will be given immediately prior to the Written section of the examination. Ear tests do not have marks allotted but are an independent section which must be passed.

1. Write the bass line only, together with chord identifying symbols (using a traditional system) of a passage of not more than eight four-part chords in a major or minor key. All chords could be in first or second inversion as well as root position; the dominant seventh chord in root position only could also be included. The key will be stated, tonic chord sounded, and the speed of the pulse indicated; the passage will be played four times.
2. Write from dictation a melody in simple time not exceeding four measures. The candidate should show the rhythmic structure of the melody by including the time signature and appropriate bar lines. The key will be stated, tonic chord sounded, and the speed of the pulse indicated; the passage will be played four times.
